

VETERINARY SURGEON NEW GRADUATE

Calling all new graduates 2022/23! Would you like to work for an independent practice? If so read on...

We have an exciting opportunity for you to join our progressive, dedicated and friendly small animal team in the heart of the North Dorset countryside as a new graduate!

We have 3 newly well equipped, branch surgeries with a growing client base. You would join our team of 10 vets and 9 RVN's to help provide an excellent service to the local community. The successful candidate would be fully supported by a dedicated mentor, and our experienced clinical team will also enhance your learning and progression with their wealth of experience as you begin your journey as a qualified vet. There is also opportunity to mix socially together such as BBQ's, wellbeing events and staff Christmas party to name a few!

Here are some of the specifics:

- **4-day week**
- **£33,280 starting salary**
- **1 in 8 Out of Hours rota, ably assisted by a dedicated out of hours nursing team**
- **Commitment to green initiative**
- **Fully supported VetGDP**
- **XLVets New Graduate Programme**
- **Health Insurance**
- **Professional fees**
- **Supported CPD**
- **Help with finding accommodation**
- **Employee Assistance Programme**
