# Senior Veterinary Surgeon - Market Harborough/Uppingham Area

Our busy farm practice is looking for an experienced veterinary surgeon to join the team.

Out of hours are equally shared on a 1:5 rota, with time off in lieu following your weekend on call.

**If you would like to be part of an expanding, forward thinking, independent practice and work with a fantastic and supportive team, then we would love to hear from you.**

In return we can offer:

- Employee assistance programme
- CPD and certificates funded and encouraged
